[HerunterladenPlant Design Suite 2018 Riss 32 Bits](#)

Thank you for your Autodesk Mechanical Desktop request

PLEASE READ THIS BEFORE YOU START:

The installation files contained in the Autodesk® Mechanical Desktop® zip files are designed to be installed from your hard drive. If you plan to create your own installation DVDs, you must create DVDs with the correct labels. Failure to do so will result in a defective installation. Download and installation instructions—including details on creating installation media—are provided in the readme file.

Note: When using WinZip to extract the files, make sure that the "Use folder names" option is checked to preserve the folder structure.

Downloads:

To install MDT you must have Autodesk Inventor installed on the target computer. Select the download that matches the Autodesk Inventor product installed on your computer.

Autodesk Product Design Suite
These downloads are compatible with Autodesk® Product Design Suite 2012, Autodesk® Inventor® 2012 and Autodesk® Inventor® Professional 2012 only.
Note: Installers for 2012 products are not available on DVD.
